On account of the extreme heat of the day, Mrs. Caroline Hill very kindly offered the use of the porch and lawn of the Moulton House for the afternoon exercises.

The program consisted of exercises by the children of the Center Harbor Schools and a very fine address by Judge Malcolm E. Sturtevant of Somerville, Mass. Music was furnished by the Center Harbor Cornet Band.

It will be noted that Judge Sturtevant made no charge for his services and the committee takes this opportunity to thank him for his kindness. The committee also wishes to express their thanks to Supt. Small, and the teachers, Mrs. Smith, Miss Rolf and Miss Carroll for their kindness and assistance in preparing the school program.

State balance		.10

*This $200.00 is state aid available to E. B. Dane for work on his property, but which he turned over to the state to be added to the town appropriation.

As will be seen by the financial statement, the State increased the town appropriation 25 percent. The necessary supervision of the crew, the time employed in

laying out the work and deciding on the control areas, as well as many other details, was handled by the district Blister Rust Agent. As he is paid by the Federal Bureau of Plant Industry, no charge for his services was made against either town or state monies. Thus, the town appropriation and the state aid was used solely in the location and destruction of currant and gooseberry bushes, the plants which spread this disease from infected to healthy pine trees.

The following contributions were received:

Pinelands	$99.63
Leonard Tufts	150.00
John C. Wister	47.21
E. B. Dane	795.25

NEW HAMPSHIRE CHILD HEALTH CONFERENCE

A Child Health Conference was held May 2nd for the babies and preschool children of Center Harbor. Three babies and 22 preschool children were weighed and measured, and examined for physical defects by a physician. Ten were found with defects, and there were sixteen without defects. Nine were placed under treatment.

Dr. L. B. Morrill was the examining physician.

A Schick Test Clinic was held November 18th, to determine the number immunized against diptheria after the innoculations last year. Nineteen children were found to be immune.

The conference was sponsored by the Woman's Club, School Department, and local Board of Health.

VIVIAN M. JENNINGS.

REPORT OF SCHOOL BOARD

To the Citizens of Center Harbor:

Your Board feels that another successful year in school administration has passed and we invite you to read Supt. Small's report for full details.

Meeting have been held with Supt. Small nearly every four weeks of the school year and a close watch of details has been kept.

At the Village School we have had the grounds graded, and a new fence on one side of the grounds, which has added much more than the expense of same in the appearance of grounds and building.

One of our Board, Mrs. M. Lillian Hanson, owing to a change in residence, has resigned, much to the regret of your other two members.

Your Board wishes to thank teachers and parents for their cooperation.

Respectfully submitted,

GEORGE A. SIMPSON,
NORRIS P. BARTLETT,
School Board.

SUPERINTENDENT'S REPORT

To the Citizens of Center Harbor:

There were sixty pupils registered in the rooms of the two Center Harbor teachers during 1928-1929. The average attendance was 92.69%. There were 41 cases of tardiness which is only about one-fourth of what it was a few years ago.

The schools were visited while in session 54 times by parents and citizens, 9 times by members of the school board and 59 times by the superintendent.

With the 244 school districts of the state arranged in order of the total cost per $1000.00 of equalized valuation, Center Harbor is No. 15. That is in only 14 of the districts is the current cost per $1000.00 of equalized valuation less than in Center Harbor.

In cost per pupil the median for the state is $83.35. The Center Harbor cost per pupil was $84.50.

The school buildings and grounds are in excellent condition as a whole.

During the summer the play ground at the village was immensely improved. A retaining wall of concrete was built, a wire fence erected, and the grounds graded.

The thanks of the district are due to Mr. Dane, who through the selectmen, enabled the schools to have such a great improvement at so moderate a price.

It was deemed wiser not to open the Town House school this year, but it seems inevitable next year. The Village School is now filled to capacity and will have to be relieved.

The Red Cross and the Woman's Club have been very helpful with their kindly interest in the schools.

The general conduct of pupils outside of school is, of course, a matter which comes under the home authority, yet teachers too should use their influence that

the children of the community may at all times be courteous and well behaved. As ill-mannered children reflect discredit upon both home and schools, so they should cooperate if the best results are to be obtained.

The School District and the School Board are generously doing their part to make the Center Harbor schools among the best in the state.

Respectfully submitted,

E. W. SMALL.
